The show which opened the week at the Olympic yesterday proved to be one of the best arranged vandeville bills ever presented at the house. Novelty and variety go to make up the show. #### LEG A MASS OF HUMOR

"About seven years ago a small abrasion appeared on my right leg. I began to acratch it and it spread until my leg from my ankle to the knee was one solid scale like a scab. The irritation was always worse at night and would not allow me to sleep, and it was completely undermining my health. I was almost out of my mind with pain, I would have to scratch until I had the blood running down into my shoe. I simply cannot describe my suffering during those seven years.

"I tried all kinds of doctors and remedies but I might as well have thrown my money down a sewer. I had given up hope of ever being cured when I was induced to give the Cuticura Roap. Ointment and Resolvent for a little while I began to see a change and soon the trouble had entirely disappeared and my leg was as fine as the day I was born. Now after a layse of air months there is no sign of a recurrence. I recommend Cuticura. W. H. White, 312 E. Cabot St., Philadelphia. Pa., Feb. 4 and Apr. 13, 1809."
